

## Happy Together

(The Turtles)

[Verse 1]

Imagine me and you, I do  
I think about you day and night, it's  
only right  
To think about the girl you love and  
hold her tight  
So happy together

If I should call you up, invest a dime  
And you say you belong to me, and  
ease my mind  
Imagine how the world could be, so  
very fine  
So happy together

[Chorus]

I can't see me lovin' nobody but you  
For all my life  
When you're with me, baby the skies'll  
be blue  
For all my life

[Pre-Chorus]

Me and you, and you and me  
No matter how they toss the dice, it  
had to be  
The only one for me is you, and you  
for me  
So happy together

[Chorus]

I can't see me lovin' nobody but you  
For all my life  
When you're with me, baby the skies'll  
be blue

For all my life

[Pre-Chorus]

Me and you and you and me  
No matter how they toss the dice, it  
had to be  
The only one for me is you, and you  
for me  
So happy together

[Bridge]

Ba-ba-ba-ba ba-ba-ba-ba ba-ba-ba ba-  
ba-ba-ba  
Ba-ba-ba-ba ba-ba-ba-ba ba-ba-ba ba-  
ba-ba-ba

[Pre-Chorus]

Me and you, and you and me  
No matter how they toss the dice, it  
had to be  
The only one for me is you, and you  
for me  
So happy together

[Outro]

So happy together  
How is the weather  
So happy together  
We're happy together  
So happy together  
Happy together  
So happy together  
So happy together (ba-ba-ba-ba ba-ba-  
ba-ba)

"Happy Together" is a song by American rock band the Turtles from the album *Happy Together* (1967). The song was written by Garry Bonner and Alan Gordon, former members of the Magicians. The song had been rejected a dozen times before it was offered to the Turtles, and the demo acetate was worn out.

Released as a single in February 1967, the song knocked the Beatles' "Penny Lane" out of the number one slot on the US Billboard Hot 100 and remained atop the chart for three weeks. It was the group's only chart-topper in the United States. "Happy Together" also reached number 12 on the UK Singles Chart in April 1967 and number 13 on the Top 100 Singles chart of 1967 in Canada.

The song is in the key of F-sharp minor, with the chorus in the F-sharp Mixolydian mode. The song ends on a Picardy third.

The song was arranged by Chip Douglas. Turtles singer Mark Volman said, "Chip was, besides being a really fine bass player and excellent singer, also a great arranger, who did most of the arrangements on 'Happy Together.' He is very instrumental in what would be thought of as the production."
