

I'm Alright

(Kenny Loggins)

I'm alright
Nobody worry 'bout me
Why you got to gimme a fight?
Can't you just let it be?

I'm alright
Don't nobody worry 'bout me
You got to gimme a fight
Why don't you just let me be?

Do what you like
Doing it naturally
But if it's too easy
They're gonna disagree
It's your life and isn't it a mystery
If it's nobody's business
It's everybody's game

Gotta catch you later
No, no, cannonball it right away
Some Cinderella kid
Get it up
And get you a job
Dip, dip, dip, dip

I'm alright
Nobody worry 'bout me
Why you got to gimme a fight?
Can't you just let it be?

I'm alright
Don't nobody worry 'bout me
You got to gimme a fight
Why don't you just let me be?

Who do you want?
Who you gonna be today?
And who is it really making up your mind?
You wanna listen to the man
Pay attention to the magistrate

And while I got you in the mood

Listen to your
Own heart beating
Own heart beating
Own heart beating
Own heart beating

Don't it get you moving
M-m-m-m-man
It make me feel good
Wow, Cinderella kid
Then give it up
And give it the job
Dip, dip, dip, dip
I'm
(Boom, boom, boom, boom)

I'm alright
Nobody worry 'bout me
Why you got to gimme a fight?
Can't you just let it be?

I'm alright
Don't nobody worry 'bout me
You got to gimme a fight
Why don't you just let me be?

I'm alright
Nobody worry 'bout me
Why you got to gimme a fight?
Can't you just let it be?

I'm alright
I'm alright
I'm alright
Just let me be

I'm alright
I'm alright
I'm alright
Just let me be
Everybody let me be

"I'm Alright" is a song written and performed by American pop singer Kenny Loggins. It was used as the theme music for the 1980 comedy film *Caddyshack*. The track was released as a single in 1980 and then reached the top 10 of the U.S. singles chart. Eddie Money makes a guest appearance in the song's background chorus.
