

## She's So Cold

(The Rolling Stones)

{Intro}

I'm so hot for her, I'm so hot for her  
I'm so hot for her and she's so cold  
I'm so hot for her, I'm on fire for her  
I'm so hot for her and she's so cold  
I'm the burning bush, I'm the burning fire  
I'm the bleeding volcano  
I'm so hot for her, I'm so hot for her  
I'm so hot for her and she's so cold

{Hook}

Yeah, I tried re-wiring her  
Tried re-firing her  
I think her engine is permanently stalled

She's so cold she's so cold  
She's so cold cold cold  
Like a tombstone  
She's so cold, she's so cold  
She's so cold cold, cold like an ice cream  
cone  
She's so cold she's so cold  
I dare not touch her my hand just froze

{Hook}

Yeah, I'm so hot for hot for her, I'm so hot  
for her  
I'm so hot for her and even so  
Put your hand on the heat, put your hand on  
the heat

Aw Come on baby, let's go  
She's so cold, she's so cold, cold, she's so c-  
c-c-old  
But she's beautiful, though  
Yeah, she's so cold

{Bridge}

She's so cold, she's so cold  
She was born in an arctic zone  
She's so cold she's so cold, cold, cold  
I dare not touch her my hand just froze  
She's so cold, she's so goddamn cold she's so  
Cold cold cold she's so cold

{Hook}

Who would believe you were a beauty  
indeed  
When the days get shorter and the nights get  
long  
Lie awake when the rain comes  
Nobody will know, when you're old  
When you're old, nobody will know  
That you was a beauty, a sweet sweet beauty  
A sweet sweet beauty, but stone stone cold

You're so cold, you're so cold, cold, cold  
You're so cold, you're so cold  
I'm so hot for you, i'm so hot for you  
I'm so hot for you and you're so cold  
I'm the burning bush, I'm the burning fire  
I'm the bleeding volcano

"She's So Cold" is a song recorded by The Rolling Stones, released on 19 September 1980 as the second single from the album Emotional Rescue.

Recording on the song started in early 1979. The single peaked at #33 in the UK Singles Chart and #26 on the US Billboard Hot 100 chart in November 1980. Along with the tracks, "Dance" and "Emotional Rescue", "She's So Cold" went to #9 on the Disco Top 100 chart.

Due to the lyric "she's so goddamned cold", the promo 45 sent to radio stations had the "clean version" on side 1. Side 2 was the same song but was identified as "the GD version".

Chris Martin named it as his favorite Rolling Stones song.

The song was featured in The Simpsons episode "How I Spent My Strummer Vacation".
